UCLG

Founded in May 2004, United Cities and Local Governments (UCLG) is the united voice and world advocate of democratic local self-government. Representing over half the world's population, the members of UCLG are present in 152 UN Member States across all world regions Africa, Asia-Pacific, Europe, Eurasia, Middle East and West Asia, Latin America and North America – covered by seven UCLG sections. Over 1000 cities are direct members of UCLG, as well as 112 national associations. UCLG's major areas of policy focus include local democracy, Millennium Development Goal achievement, local finance, urban development, environmental protection, city diplomacy for peace building.

Dexia

Dexia was born of the alliance in 1996 of two major institutions in local public finance : Crédit local de France and Crédit Communal de Belgique. Dexia ranks among the top 20 largest banks in Euroland, and conducts its strategy on two pillars: Universal Banking in Europe (Belgium, Luxembourg, Slovakia, Turkey) and a worldwide leadership in Public/Project Finance. Over the years, Dexia has become the world's largest player in local public finance and today operates from more than thirty countries. Dexia's high level of expertise, its long-term horizon and the very high quality of its customers grant a superior level of franchise.
